Loving God and Loving People

It is hard to believe that another year has gone, and the Lord has brought us to another year. As we turn back and see the hand of the Lord in our lives, in all situations, we can truly say that the Lord was in control. Along with Moses lets pray " Lord, teach us to number our days that we may get a heart of wisdom - Psalms 90:12" and live a life worthy of our calling. Wishing you every happiness and prosperity in the New year. May God's love, peace, hope and joy be your portion in the New Year.

Worthy Quotes :

A definition for a man of God:

"A Man of God is one who depends on the Grace of God, preaches the Word of God, stays in the Will of God, fulfills the Purposes of God, respects the Servants of God, edifies the Family of God, is filled with the Spirit of God, devotes himself to the Ministry of God, loves the Word of God, and lives for the Kingdom of God!"_
Dr. Billy Graham

"Expect great things from God; attempt great things for God" -
William Carey
